Secretary of State announces release of Sample Ballots for November's General Election

Secretary of State Wes Allen is making Alabamians aware that the sample ballots for the November 5, 2024 General Election are now available on the Secretary of State's website: www.AlabamaVotes.gov.

"Sample ballots for all 67 counties have been made publicly available on our website, www.AlabamaVotes.gov. I would encourage all Alabamians to review these sample ballots as they get ready to head to the polls on November 5," Allen said.

The Secretary of State's website has several features for Alabamians to use as we head into the November 5, 2024 Presidential Election.

"At www.AlabamaVotes.gov, Alabamians can register to vote with a valid Alabama driver license, verify their voter registration status, check their polling location, and track their absentee ballot," Allen explained. "My team and I work very hard to ensure that our website is a functional tool for all Alabamians to utilize as they prepare to go vote on November 5."

Polls will be open from 7 a.m. to 7 p.m. on Election Day. Voters are required to present a valid form of photo identification before

casting a ballot.

Secretary Allen extends his thanks to the county election officials for their work preparing and approving these sample ballots.

"As a former probate judge, I know firsthand how much preparation goes into running a fair, secure, and transparent election. I want to thank the county probate judges and election officials for working hard to create and review sample ballots for their counties, so that Alabama voters can be informed and prepared for Election Day," Allen said.

Windy Thoughts

with Linda Hodge, Editor

The local school systems [Elba City and Coffee County] each held Fiscal Year 2025 budget hearings recently followed by the respective boards approving the budgets as presented. We were impressed in hearing that each system shows more than the state-required dollars in reserve for operating expenses. The Coffee County School System showed it anticipates to have an operating balance of over 7 months at the end of FY2025 while the Elba City School System expects to have over 4 months of operating balance funds at the end of FY2025. The state requires school systems to have at least a month's operating balance in the budget to be considered in good financial standing. We extend a 'well done' to both our local systems on keeping our local schools in good financial shape - especially the CFO's that have to crunch the numbers continuously to make sure this happens!

Taking a look closer at the Elba School System's reserve in operating balance funds, CFO Valiece McKelvy said the goal for the Elba System is to keep three months of operating balance funds in the budget; therefore, she said the Elba System may look at doing some capital improvement projects with its 'extra' surplus in operating funds. We like that idea tremendously! A system must look after its infrastructure! Again, job well done.

As we write this column for the week, eyes and ears were tuned into the weather forecasts as the potential for a tropical system [called Tropical Cyclone #9 on Tuesday but expected to make landfall as Hurricane Helene by Thursday] to impact the area was a possibility. On Tuesday morning, the local projection was for the system to make landfall to the east of the local area meaning mostly rain and some wind here; however, the track was not 100 percent certain at the time and a shift to the west could mean increased bad weather chances. We don't like wishing bad weather on anyone but do hope the storm chose to stay mostly to our east.

While on the subject of tropical storms and/or hurricanes, there is always the question of do we go ahead and prepare for the bad weather or wait to see what happens... well, we figure it doesn't hurt to go ahead and be prepared! If you are prepared and the bad weather doesn't arrive - no harm done and less worry on your part. To us, that sounds like the best way to go! And, you get to go ahead and enjoy that Little Debbie snack that you probably would not have purchased had you not been preparing for the storm and potential for power outages! Now, that is a win-win!!

There has been lots of questions lately about the Jack's Restaurant. Folks had not heard much lately on the subject, which had some questioning us if the restaurant was still planning to come to Elba or not. Well...the answer is yes. Jack's is still working on coming to Elba! The Elba City Council even passed a resolution during Monday evening's meeting to seek funding to establish a waterline that would feed the restaurant at the location chosen to construct the restaurant building. So, hang tight...the road still leads to a Jack's restaurant coming to Elba next year.

Our Family Serving Your Family Since 1934

Being a Cancer Companion

If you are reading this article, you surely have the intention to be a good helper during the cancer journey. That's a good start. Intention is where everything begins.

Now to your intention you must add action. You must reach out and keep reaching out to the person who has cancer. You must offer your presence and your empathy for the long haul. You must persevere long after most friends and even family members fall away.

You see, not everyone has the endurance to be a good helper for months and years, which is often how long the cancer journey takes. Yet this is exactly what the person who has cancer needs most—people she can count on, well, forever.

Good cancer companions spend time with the people they care about who have cancer. They share meals and activities but they also have conversations. Importantly, they listen. They have empathy. They are sounding boards and, sometimes, whipping posts.

Cancer companions accompany people with cancer on their journeys. They do not walk in front of or behind the person with cancer. They walk alongside, arm-in-arm. And they continue to offer their presence and loving companionship as long as the journey lasts.

Yet, the more connected you feel to the person who has cancer, the more you, too, will struggle with the diagnosis and grieve throughout her cancer journey. Also, the closer you are to the person with cancer, the more help you will need for yourself in the coming weeks and months.

Because of your normal and necessary grief, you may find it impossible to be as supportive of the person who has cancer as you would like to be. That's how grief works. But if you get good support for yourself and work on expressing all your fears, thoughts, and feelings (by sharing them with the person with cancer but also in other ways, such as journaling or attending a support group), you will be better able to help the person with cancer. You will also find hope and healing for yourself.

The Covid bug found its way back to the Mularz house in Elba last week as my oldest grandson Lawson had to sit out three days of school with the never-ending illness. After lots of medicine and rest he felt like getting back to the grind late in the week, but it now looks like his Mom may have also been bitten by the bug, which means more rest, meds and quiet time for them both.

For what it is worth....

*** *The Elba Tigers kept their region title hopes alive* last week with an amazing 57-53 win over Brantley, in a game that wasn't decided until the final seconds of play. The lead changed hands a total of twelve times in the game, with the final change coming with just 37 seconds left on the clock after the Tigers drove 99 yards during a five-minute drive to pull out the win. The win was just the latest chapter in a book Elba fans can't put down, and kept fans from both teams shaking their heads with twists and turns. It was predicted to be an offensive shootout, and for once the folks that make predictions got it right!

The Elba offense rolled up over 500 yards on the ground in the big win, led by Alvin Henderson, who was held to just 65 yards in the first half, but exploded for 252 yards and four touchdowns in the second half to spark the comeback. Cayden Adkins is often overlooked by opposing fans; however, the senior quarterback rushed for his fifth straight 100-yard game as he rolled up 161 yards and a pair of scores. The Tigers have an awesome '1-2 punch' in Henderson and Adkins, and fueled by a gritty offensive line, they are the among the state's highest scoring teams at the midway point in the season.

The Elba defense was scorched at times by the high-powered Brantley attack, but after giving up 332 yards and five touchdowns through the air in the first half never stopped battling and over the final two quarters limited the Bulldogs to four completions for 61 yards and one score. The Tigers may be dead last in Class 1A in points allowed per game, but came up with an interception in the endzone late in the half to turn back a Brantley scoring threat, forced and then recovered a fumble at the one-yardline to turn back what could have been the game clinching td for the Bulldogs midway through the fourth quarter, and then had another interception in the closing seconds to seal the win. I know it may sound a little crazy since Elba gave up 53 points and over 500 yards in offense in the game, but just maybe the way the game ended will pump new life into the Tigers on defense and hopefully lead the bigger and better things in weeks to come.

*** *It was a week to forget for the other teams* in the area as they logged four losses, all in region play. * New Brockton saw the momentum from its lopsided win over Daleville come to an abrupt end with a 49-0 homefield loss to Dale County, and now will have to regroup in a hurry to stay alive in the region race and keep any playoff hopes alive and well. * Zion Chapel had its chances against Luverne in a region battle at home, but made too many mistakes to defeat a good team and dropped a 41-20 decision that as the Rebels third straight loss after a 2-0 start. * Kinston made the trip to Georgiana and found out first hand why the Panthers are ranked high in the state standings as they came out on the short end of 48-0 loss

Elba braces for Goshen**It just doesn't get any easier for Tigers**

The Elba Tigers will step out of region play and step up in class this week when they host the Goshen Eagles, at Tiger Stadium.

The Tigers will bring a 3-2 record into the clash and own an 8-0 all-time record against the Eagles, with the last win being a

20-14 victory back in 2017. Goshen will enter the game with a 3-1 record with wins over Alabama Christian 40-7, Zion Chapel 44-21 and Calhoun 40-8, and a 53-21 loss to Highland Home.

"Goshen is probably as talented as any team on our

that left the Bulldogs looking for answers at the midway point of the season. * Brantley matched high-scoring Elba touchdown for touchdown in last week's region headliner, but suffered its first loss of the season in a wild 57-53 shootout that dropped the Bulldogs from the top rung of the region ladder.

*** *The high school football season* has reached the midway mark for most teams and a look at the region standings revealed some surprises, and some not so surprising stats. In Class 1A, Southern Choctaw stands at 4-0 and sits atop the Region 1 standings, while over in Region 2, Georgiana is all alone atop the region standings and has proven that last year's 10-2 record was no fluke, especially since the Panthers have outscored their region opponents 136-32; and up in Region 4, Maplesville is atop the standings, as usual, and has outscore its victims 169-59. In Class 2A, Washington County has come back to life in Region 1 after suffering through seven straight losing seasons and appears to be headed for a berth in the post-season party after a 4-1 start, while up in Region 2, G.W. Long is off to a less than exciting 2-3 start, Providence Christian is enjoying life in the 2A ranks with a 4-1 record and Samson is struggling in the 2A ranks and has been outscored 157-7 in its four straight losses; and up in Region 3, Highland Home is rolling along undefeated and Pike Lib appears to have a solid shot at making the playoffs in its first year of eligibility. In Class 3A, T.R. Miller is the top dog in Region 1 with a 5-0 record and along with Hillcrest Evergreen appears to be the teams to beat in their past of the football world; Houston Academy is making noise in Region 2, along with three Montgomery private schools that help make up the top four in the standings. In Class 4A, St. Michael's is a surprise leader early in the season with a 5-0 slate, even though Jackson is picked as the team to beat in the region race; and up in Region 2, Opp is off to a 4-0 start under Coach Ed Rigby and appears comfortable as front-runners, while Dale County, Pike County, Ashford and Straughn are the other four teams fighting for three available spots. In Class 5A, Vigor and Williamson are easily the cream of the crop in Region 1 with 5-0 records, while in Region 2, Montgomery Catholic is off to a fast 5-0 start and has outscored its victims 212-48, Andalusia is off to a slow start with a 2-3 record due to a rugged early-season schedule, but is still in the playoff hunt along with Eufaula and Charles Henderson. In Class 6A, Saraland and St. Paul's are both 5-0 and share a spot atop the Region 1 standings, while up in Region 2, Russell County is the surprise leader in the standings along with Pike Road, and Rehobeth is trying to survive with a 2-2 slate. In Class 7A, Baker, Fairhope and Mary Montgomery are all 3-0 in the Region 1 standings and are clear favorites to advance, while up in Region 2, Auburn, Montgomery Carver and defending state champ Central Phenix City are all 5-0 and the cream of the crop, with Enterprise and Opelika left to battle it out for a playoff berth.

*** *Back when Auburn hired Hugh Freeze* as its head football coach I made the prediction that the Tigers had made a home-run hire and would win a national title within five years. Now in his second season, I can't be the only one wondering if the new and improved SEC is over his head and if the powers to be up on the plains may once again be looking to make a change sooner than later. Last weekend's 24-14 loss to Arkansas was the second straight home loss for Auburn at a place that used to be one of the most feared stadiums in the nation, and while Freeze has proved he can still recruit, he has yet to prove he and his staff can 'coach up' the players and return the Tigers to the glory days of the past. I'll admit he is still new at the job and still believe he will get better, but there are already major doubts about his ability to coach in the SEC.

Staying on the subject of college football, Troy finally got in the win column as the Trojans pulled way late to whip Florida A & M 34-12. The Rattlers threw a scare into the Trojans for three quarters and were probably better than many Troy fans expected, but in the end he Trojans pulled it out and will at least quiet some of their most critical fans, until they lose again.

*** *Ye Ole Polish Prognosticator* said he didn't know if he needed to get a stronger dose of his blood pressure medicine or carry along an AED to the ballgames after last week's 57-53 last-second win over Brantley. The local guesspert laughed that this year's edition of the Tigers isn't good for the heart after games against McKenzie and then Brantley, but did admit after winning a close one at least he gets a chance to catch his breath a little quicker. Anyway, the fearless forecaster hit on 26 of his 30 picks last week to continue a solid season, and dropped off this week's picks....

ELBA VS. GOSHEN

The Pea River felines were licking their wounds after a short ride back last week, but did have a smile on their faces after surviving a region shootout on the road. This week they will be back at home looking to feast on a flock of birds that boast one of the state's most explosive offenses. Does that mean another shootout is on the way?

ELBA 41 GOSHEN 40**BRANTLEY VS. HIGHLAND HOME**

The bulldogs from up above the creek will have to get ready in a hurry after a short week of work in a cross-county battle against a band of flyboys from up the road. If the 'dogs are still thinking about last week's tough region loss this one could hurt even more. The bark will be back, but hard to hear over the jet engines from above.

HIGHLAND HOME 34 BRANTLEY 22**KINSTON VS. SAMSON**

The Bulldogs from down near the county line will be back home and will have to be ready for a visit from a litter of very hungry kitties that are still looking for their first win. While the 'dogs will be heavy favorites, this one could be closer than many think. In a dogfight....

KINSTON 30 SAMSON 16**NEW BROCKTON VS. MONROE COUNTY**

The roosters from over near the four-lane will have some tired wings after a long flight over to the western part of the state and will have to be ready from the start against a litter of kitties that are looking for a big win at home. If they lose many more feathers they may have to hitch-hike back, but the ride back should be more enjoyable after a win.

schedule and we know it will take our best effort in all areas to post a win," said Elba's Coach Marc Sieving. "They have a couple of really good running backs, a quarterback that can hurt you both running and passing, and an aggressive defense that runs to the football. This is just another very talented opponent and will certainly be a big challenge for our team."

"On offense they run a version of the single-wing with a lot of direct snaps, but at the same time they run it out of the spread," added Coach Sieving. "They have a couple of backs that run hard and have the speed to take it the distance on any play, and using the spread, they can pull it out and throw it deep or drop it off to a back in the flats. Goshen has an offense than can both move the chains and put points on the scoreboard, and has probably the biggest offensive line we have seen. This team is obviously not the kind of team you run into every day at the 1A level, and is good enough to beat a bunch of folks and make a run in the playoffs. We have an idea what they may do on defense since they run an offense similar to us, but at the same time they some really quality players that pack a punch and get after the football. We are going to have to

run the football to have a chance to win the game. However, we will have to be effective when we throw the ball and if we can hit some passes maybe it will loosen them up a little. Goshen has just as many athletes as Glenwood and will come down here with something to prove after last week's second half meltdown in their loss to Highland Home. We expect to get the best Goshen has in the game Friday night and will have to be ready for a war."

When asked about last week's 57-53 win over Brantley, Coach Sieving stated, "I thought our guys showed a lot of grit and determination for all four quarters and never quit battling despite the score. The offense got in at halftime and made some adjustments that helped us be more effective running the ball, and the defense played hard and fought until the end. I know we gave up a lot of points, again, but the defense came up with a fumble that stopped a Brantley drive at the one-yardline and then came up with a pass interception late that sealed the deal. The defense never quit and played hard for all four quarters."

Kickoff for all home games is 7:00 pm, and fans may pay with cash or the GoFan app.

Drive 99-yards to score winning td

*Tigers survive 57-53 region shootout against Brantley**By, Ricky Mularz, Sports Editor**Photos by BC Sports Photography*

The Elba Tigers kept their region title hopes alive Friday night with a heart-stopping 57-53 road win over the previously undefeated Brantley Bulldogs, in a game that included over 1,000 yards in total offense, two kickoff returns for touchdowns and 12 lead changes.

Brantley scored on its first play from scrimmage on a 64-yard pass from Jayden Parks to Daylan Davis to grab a 6-0 lead only 24-seconds into the game, while it took Elba five plays to put its first points of the night on the scoreboard, with the Tiger touchdown coming on a 52-yard run by Cayden Adkins. Trai Davis kicked the extra-point following the Elba td, and with 9:32 left on the scoreboard the Tigers were on top 7-6.

Brantley again needed only one play to reach the endzone on its second offensive series as this time Parks hooked up with Cooper Layton on a 63-yard touchdown toss, and while a two-point pass missed its target, the Bulldogs were back on top 12-7 with 9:32 remaining in the quarter.

This time Elba didn't even have to snap the football to regain the lead as on the ensuing kickoff Cayden Adkins fielded the kick and tossed it back to Alvin Henderson, who turned the corner and raced 72 yards down the sidelines for a Tiger touchdown. A low snap foiled the extra-point attempt, but with 9:18 left in the quarter Elba was back in front 13-12.

Elba upped its lead to 15-12 on Brantley's next possession when Cayden Adkins blocked a punt that was recovered in the endzone by a Bulldog lineman with 8:36 left in the quarter, and while the Tigers failed to score on their ensuing possession and were forced to punt, Brantley didn't forget its way to the endzone and regained the lead at 20-15 with 5:28 still left in the wild first quarter on a 50-yard touchdown pass from Parks to Tyler Carter, and a two-point run by Andre Wright.

The Tigers changed the tempo of the game on its next offensive series as they drove 61-yards in nine running plays and ate up over five minutes off the clock to move back on top. Alvin Henderson rushed for 22 yards on three carries to help lead Elba down the field, while Cayden Adkins rushed for 35 yards on four carries and crossed the goal line on a 21-yard run on the first play of the second quarter. Henderson ran in the two-point conversion, and with 11:52 left in the

second quarter the Tigers owned a 23-20 lead.

Brantley began its next possession near midfield and went 60 yards in six plays to snatch the lead back away from Elba. Jayden Parks completed two of three passes for 38 yards to spark the drive, which was capped by a 22-yard td toss from Parks to Davis. A two-point pass again missed its target, but the Bulldogs had regained the lead at 26-23 with 8:58 left in the quarter.

Elba was stopped on a fourth down run at the Brantley 40-yardline on its ensuing possession, and the Bulldogs promptly went 60 yards in six plays to extend their advantage. Parks complete three of six passes during the scoring drive for 56 yards, with the touchdown coming on a 20-yard pass to Davis. Michael Thompson kicked the extra-point, and with 4:29 remaining in the half Brantley had opened up a 33-23 lead.

Elba put the ball back in play at its own 32-yardline following the ensuing kickoff and cut into the Brantley lead as the Tigers drove 68 yards in six plays to get back into the endzone. A 46-yard pass from Cayden Adkins to Brady Johnson was a key play in the long scoring drive, while the score came on a 7-yard run by Alvin Henderson. The extra-point try was blocked, but with 1:47 left in the half the Tigers were within 33-29.

Brantley was determined to score again in the offensive shootout and quickly reached a first down at the Elba 25-yardline behind two pass completions from Parks to Layton, but this time the Elba defense came up with a stop on a pass interception in the endzone by Jerrod Anderson and at the half the Tigers deficit remained 33-29.

Elba received the second half kickoff and needed six plays to cover 48 yards to the endzone. A 21-yard scamper by Jacob Ledbetter was a key play in the scoring drive, while Alvin Henderson capped the drive with a 28-yard touchdown dash on fourth down and five. Cayden Adkins ran in the two-point conversion, and with 7:55 left in the third quarter the Tigers were back on top 37-33.

Brantley began its ensuing possession at its

own 23-yardline and went 77 yards in 10 plays to retake the lead at 41-37 with 3:55 left in the quarter. Trey Pittman rushed for 27 yards on two carries on the long scoring drive, with the score coming on a 34-yard touchdown toss from Parks to Layton. The same duo hooked up for the two-point conversion as the Bulldogs continued their assault on the scoreboard.

Elba began its ensuing possession at its own 30-yardline and answered the latest Brantley score as the Tigers covered the 70 yards to the endzone in just six plays. Alvin Henderson rushed for 57 yards on two totes and capped the drive with a 38-yard scoring run, and Trai Davis added the extra-point to put Elba on top 44-41 with 32-seconds remaining in the quarter.

The Tigers lead didn't last for long; however, as on the ensuing kickoff Brantley's Tyler Carter fielded the kick at the 16-yardline, spotted hole in the middle of the field and raced untouched 84 yards for a Bulldog touchdown. The extra-point was blocked by Elba's Emmanuel Cooks, but with 21-seconds left in the quarter Brantley had regained the lead at 47-44.

Elba lost a fumble at its own 34-yardline on its next series and Brantley took advantage of the short field to cash in the turnover and stretch its lead. A 25-yard run by Tyler Carter was a big play in the short scoring drive, while Andre Wright capped the drive with a 2-yard touchdown run. The extra-point try again failed. However, with 9:18 left in the fourth quarter the Bulldogs were on top 53-44.

Elba began its next possession at its own 2-yardline after a mix-up on the ensuing kickoff, but needed only three plays to cover the 98 yards to the endzone as Alvin Henderson broke a tackle at the line of scrimmage, reached the sidelines and raced 86 yards for a Tiger touchdown. Davis again added the extra-point, and with 7:45 left on the clock Elba was within 53-51.

Brantley appeared ready to wrap up the wild win on its next possession as the Bulldogs reached a first down and goal at the Elba 2-yardline behind the passing of Parks and the running of Wright. However, the Tigers received a breath of life when Elba's Cassidy

Elba Tiger Cayden Adkins (10) leads Tiger teammate Alvin Henderson (2) around the corner for a big gain in last week's 57-53 region win over Brantley. Henderson rushed for 317 yards and 5 touchdowns and Adkins rushed for 161 yards and 2 touchdowns in the wild road win.

Carpenter recovered a fumble at the one to turn back the scoring threat.

A 39-yard run by Cayden Adkins on first down gave Elba room to work at its own 40-yardline, and the Tigers stayed on the ground and headed down the field as Alvin Henderson gained 50 yards on three carries to move Elba within the shadows if the goal post. Elba ran two plays just to eat clock after reaching a first down at the Brantley 4-yardline, and on third down crossed the goal line on a 1-yard run by Henderson. A two-point run failed to produce points, but with only 37-seconds left on the clock the Tigers had battled back and taken a 57-53 lead.

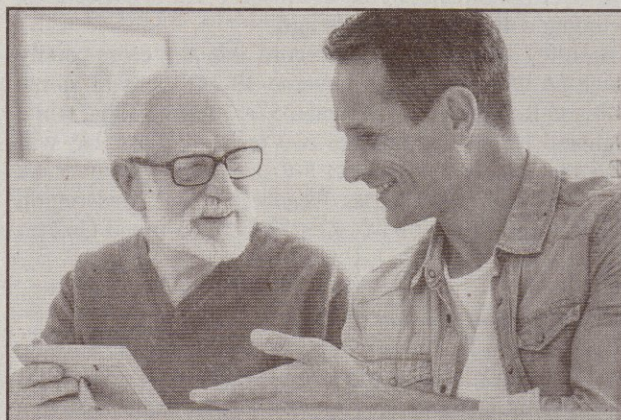

Brantley began its final possession at its own 7-yardline after a mishandled kickoff, and on second down Elba's Brady Johnson picked off a deflected pass to seal the wild 57-53 region road win over the Bulldogs.

Alvin Henderson rushed for 317 yards on 25 carries and scored 5 touchdowns to lead the Elba ground attack, and also returned a kickoff 72 yards for a score, while Cayden Adkins rushed for 161 yards and 2 td's on 19 carries, and Jacob Ledbetter added 42 yards rushing on six carries.

Zion Chapel Rebels converge to stop a Luverne runner for a loss in last week's 41-20 region loss. The Rebels will get the week off after three straight losses to prepare for a crucial region road game against the Pike Liberal Arts Patriots, with a possible playoff berth on the line.

Rebels region woes continue

From combined reports

The Zion Chapel Rebels saw their region woes continue last Thursday night with a 41-20 homefield loss to the Luverne Tigers.

Luverne cashed in a Zion Chapel turnover on the Rebels first play from scrimmage and drove 68 yards into the endzone grab an early 8-0 lead, but the Rebels battled right back and capped a long scoring drive with a 10-yard touchdown run by John Foster Hamm, and a two-point run by Hamm, to pull even at 8-8 with 2:36 remaining in the first quarter.

The Tigers add a pair of second quarter scores to carry a 22-8 lead in at the half, and added a touchdown early in the third quarter to stretch their lead to 28-8. However, Zion Chapel again rallied and pulled within 28-14 on a 78-yard kickoff return by Jolo LeGear.

Luverne regained command and pushed its lead to 34-14 early in the fourth quarter, but the Rebels refused to surrender and when Brayden Benbow scored on a 7-yard run up the middle Zion Chapel was within 34-20.

The Rebels lost a fumble inside the Luverne 10-yardline to come away empty-handed after another impressive drive, and the Tigers added a score with just 30-seconds left on the clock and added the extra-point to take home the 41-20 road region win.

The Kinston Bulldogs traveled to Georgiana Friday night for a big region clash with the undefeated Georgiana Panthers and were simply outmanned in a 48-0 road loss.

Georgiana scored three touchdowns in the first quarter to grab an early 24-0 lead and added one touchdown in each of the final three quarters to claim the 48-0 region win at home.

Kinston threatened to get on the scoreboard in the first quarter and reached the Panther 24-yardline behind

the running of Gabriel Hataway before turning the ball over on a pass interception, threatened again early in the fourth quarter and reached the Panther 14-yardline after a fumble recovery by the Bulldogs Marcus Free, and was at the Panther 30-yardline when the game ended, sparked by the running of Thomas Rials. Thomas Rials rushed for 38 yards on 11 carries and Gabriel Hataway added 37 yards on 13 carries to lead the Kinston offense, while Judson Green rushed for 20 yards on nine carries.

No Accidental Fixes

We expect natural disaster to destroy property and injure people, and this is what normally happens. We expect machines and other objects that aren't functioning to require the help of technicians or handymen to make them work properly again. Usually this is so. However, consider what happened early one morning in January of 1994, when an earthquake measuring 6.6 on the Richter scale struck Los Angeles, California. In the darkness, many people stumbled out of bed fearing for their lives.

Then, as a result of the tremor, some strange things happened. A woman whose home was severely damaged owned a pendulum clock that hadn't run for months. It worked after the earthquake. Another woman's refrigerator had sounded "like a diesel truck" before the quake, but afterward it "purred like a kitten." In one place of business, a repairman had tried on numerous occasions to fix the photocopier, but without success. After the earthquake, it worked perfectly.

On the human side of things, a man who had awakened every morning the past ten years with an aching back found that

after the earthquake he no longer had any pain.

All of these blessings are simply quirks of circumstance, nothing more than accidental fixes. However, God offered Israel a more certain way to a life of blessedness. If they would follow in His way and keep His commandments, He would bless their land. They could lie down in peace and not be afraid. - C.R.B.
